Makati, Philippines, 27 February 2014, Thursday - Gokongwei-led JG Summit Holdings, Inc. returned to the secondary organized market today, listing its PhP30 billion fixed rate bonds in three tranches: PhP24.51 billion five-year and six-month bonds with a coupon rate of 5.2317% per annum, PhP5.31 billion seven-year bonds with a coupon rate of 5.2442% per annum, and PhP176.34 million 10-year bonds with a coupon rate of 5.3000% per annum.

PDS proudly considers JG Summit a long-time partner of the organized market, with the presence of its property subsidiary, Robinsons Land Corporation, on the trading board for Corporate Bonds with PhP10 billion worth of bonds listed.

The view was echoed in the positive response of both institutional and retail investors in the primary market, which led underwriters to exercise the overallotment option of PhP6 billion, increasing the original amount from PhP24 billion to PhP30 billion.

JG Summit's PhP30 billion issue size is the largest listing of the year and the largest since 2010. The bonds have garnered the top credit rating from the Philippine Ratings Services Corp., which cited JG Summit's "strong liquidity, sound capitalization, solid market position of its core business and the good quality of its management."

The net proceeds from the bond issuance shall be utilized by the company to partially finance the company's acquisition of Manila Electric Company shares and for general corporate purposes.
