**07 July 2017, Makati Philippines** - Cyberzone Properties, Inc. (CPI) joined its affiliates Filinvest Development Corporation, Filinvest Land, Inc., and EastWest Bank in the roster of the Philippine Dealing & Exchange Corp. (PDEX) Issuer Community with the listing of its maiden PhP 6 Billion Fixed Rate Bonds due 2023 in the organized secondary market.

With this listing, the combined level of outstanding securities of the Filinvest Group's listed on PDEX stands at PhP 51.17 Billion, representing 7% of the total corporate fixed-income issues in this registered market.

CPI President and CEO Joseph Yap said: "We are very delighted to witness the strong demand for the CPI Bonds which resulted in an oversubscription of almost thrice the base amount of P5 Billion, enabling us to easily exercise the P1 Billion oversubscription option that was approved by the SEC. We are very thankful for the trust and confidence of the investors, particularly the retail segment, in CPI."

In his welcome remarks, PDS Group President and CEO Cesar B. Crisol said: “We remain heartened by the robust issuance activity being met by the sustained investment demand from the growing base of bondholders equally comfortable with the long tenors of corporate bonds being offered.”
