Dear Madame,

We write with respect to the attached news article entitled “Ayala brings upscale brand to QC joint venture” posted in Inquirer.net on September 18, 2019. The article reported in part that:

“ . . . .

“Property giant Ayala Land Inc.’s (ALI) upscale residential brand has entered Quezon City’s property space by bringing two high-rise residential towers with a combined inventory valued at close to P27 billion, deemed as the most expensive residential condominium in this city to date.

Ayala Land Premier’s (ALP) twin-tower Parklinks North and Parklinks South towers will rise on the 35-hectare estate spanning Quezon City and Pasig—which will be linked by a bridge over the Marikina River—that is jointly being developed by ALI and tycoon Lucio Tan-led Eton Properties.

. . . .”

**We confirm that Ayala Land Premier, ALI’s luxury residential brand, will bring two high-rise residential towers in Parklinks estate located at the corridor of Quezon City and Pasig City. The Parklinks North Tower was launched last November 2018 with an estimated inventory value of P12.7 billion, however, Parklinks South Tower has not yet been launched, pending regulatory approvals.**

Thank you.
